PRRT&HS 2018 50th ANNUAL MEETING NEWS!!!

May 9th - May 13th, 2018

This year it will be a four-day event, with an “optional” Train trip leaving from 30th street station Phila to Altoona on Weds 9th and returning on Sun 13th. Including a trip around Horseshoe curve.

This trip will be restricted to 250 passengers and will be available thanks to the generosity of Bennett Levin and his equipment. More information will be available soon.

Our annual meeting location is the Blair County Convention Center, Altoona PA. Due to the size of local hotels We have “blocked” rooms at four locations. They are as follows in the order of distance to the convention center.

Use PRRT&HS for all special hotel pricing

There are 70 rooms blocked until 4/09/18

PRRT&HS PUBLIC RELATIONS

One way for members to help increase the Society’s visibility and promote membership in the PRRT&HS is to host the portable display in their area. For those unfamiliar with it, the portable display contains sample issues of *The Keystone*, *The Keystone Modeler* and *The Keystone e-NEWS*, as well as membership brochures, membership applications, information on the Lewistown Archives and a list of PRRT&HS publications available for purchase on our website. Book samples are available to those hosts willing to display them. While train shows are an obvious

venue consideration should be given to events sponsored by local historical societies and railroad museums; especially those in areas that had a strong PRR presence.

The Pittsburgh Chapter hosted the portable display at the RPM-EAST Meet held on March 24 & 25 in Greensburg, PA. The display gave the 206 attendees an opportunity to browse all the current PRRT&HS publications and learn the benefits of membership. Many existing members stopped by to converse and our presence reminded some to get their 2017 renewals completed.

The portable display gives the PRRT&HS exposure to those unaware of our existence and the potential to attract new members; please consider hosting it. An increase in membership is beneficial to us all. Table cost and shipping charges are covered by the PRRT&HS.

Another way for members to help promote the Society is to ask permission and place copies of the PRRT&HS Membership Brochure in hobby shops, museums, local historical society's, etc.

To arrange for use of the portable display or to request copies of the Membership Brochure contact Frank Napoleon at frank.napoleon@verizon.net.

SOCIETY MEMBERSHIP

The purpose of the Pennsylvania Railroad Technical & Historical Society is to bring together persons interested in the history and modeling of the Pennsylvania Railroad, its subsidiaries and its predecessor companies. Our goals are to promote the preservation and recording of all information regarding the organization, operation, facilities and equipment of the PRR.

The Society's quarterly illustrated journal, *The Keystone*, has been published continuously since 1968. Each issue of 84 or more pages contains illustrated original authoritative articles, about locomotives, cars, other equipment, facilities and operating practices of the PRR. The Society also publishes its own thoroughly researched books and other materials concerning Pennsy history. *The Keystone Modeler* is also a quarterly special 30-plus page online publication of the Society. These publications are for sale on our website.

The Society meets annually, usually during the first weekend in May, providing an opportunity for its members to get together and learn more about the PRR. Local chapters around the country also provide members and guests with regular meetings that feature PRR related programs, see listing below for chapter events.

Information about our Society may be found on our website <http://www.prrths.com>.
